

REMARKS

This Amendment is filed pursuant to the following statement from the MPEP 201.11

Section V:

If an applicant includes a claim to the benefit of a prior application elsewhere in the application but not in the manner specified in 37 CFR 1.78(a)(2)(i) and (a)(2)(iii) or 37 CFR 1.78(a)(5)(i) and (a)(5)(iii) (e.g., if the benefit claim is included in an unexecuted oath or declaration or the application transmittal letter) within the time period set forth in 37 CFR 1.78(a)(2)(ii) or (a)(5)(ii), the Office will not require a petition and the surcharge under 37 CFR 1.17(t) to correct the benefit claim if the information concerning the benefit claim contained elsewhere in the application was recognized by the Office as shown by its inclusion on a filing receipt.

A copy of the applicant's filing receipt in the above referenced application is included as Appendix A of this amendment. This filing receipt indicates a claim of domestic priority for both PCT/USO4/38636 and, in turn, US Provisional 60/519,410. Appendix B is a copy of Certification of a copy of US Provisional Application Number 60/519,410 listing related Application Number PCT/US04/38636, which is part of the application record. Appendix C is a copy of the first page of the Transmittal Letter to the United States Receiving Office listing US Provisional 60/519,410. Appendix D is a copy of the first page of the Transmittal Letter to the United States Concerning a Submission under 35 U.S.C. 371 showing a priority date of 12 Nov. 2003 being claimed. The above referenced information was timely submitted on or before 5/11/2006, the date of the application.

The applicant respectfully submits that since the filing receipt lists the claims for priority, and the application was scheduled for publication on the basis of such information concerning the benefit claim, the petition and fee under 37 CFR 1.17(t) is not required and that the 312 amendment may be entered.

Respectfully submitted,

Michael L. Antoline
